

**BS8060
Piranha**
pocket bluetooth
barcode scanner

FEATURES

Superior reading performance.

The BS8060 Piranha is offered in 2 versions, containing a 1D or a 1D+2D engines. These engines are capable of reading virtually any barcode from paper or screen. The 2D device has been equipped with a laser aimer with a red cross to make barcode reading easier and faster.

Easy Bluetooth pairing.

Via Bluetooth 4.0 Class 1 wireless technology, the BS8060 can be paired with any Android, iOS or Windows device, five times faster than regular Bluetooth.

Can be used anywhere, anytime.

The BS8060 Piranha is small enough to fit into your pocket and light enough to carry around all day, providing you with the convenience of always having a scanner at your fingertips.

Convenient communication.

Use the interface that suits your application best. The BS8060 Piranha gives you the flexibility to choose your preferred communication method with options like HID keyboard and Virtual COM.

Hassle-free battery capacity.

The high capacity Li-ion battery in the scanner provides up to 11 hours of continuous use per charge, allowing you to work hassle-free all day.

Charging and communication cradle available (optional).

Application Scenarios

Mobile payments • e-coupons/e-vouchers • retail store management • price verification • inventory management • distributor management and more.
